CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

GENERAL MANDATE TO ISSUE NEW SHARES

At the annual general meeting of the Company held on 14 August 2020, ordinary resolutions were passed by the Shareholders to grant general mandates to the Directors to issue Shares and extend the general mandate to allot, issue and deal with Shares by the number of Shares repurchased by the Company. Such mandates will lapse at the conclusion of the AGM.

At the AGM, an ordinary resolution will be proposed that the Directors be granted a general and unconditional mandate to allot, issue and deal with Shares up to a maximum of 20% of the total number of Shares in issue at the date of passing the resolution.

As at the Latest Practicable Date, the total number of Shares in issued is 528,000,000. Subject to the passing of the relevant resolution, assuming that there is no change in the issued share capital of the Company between the period from the Latest Practicable Date and the date of passing the resolution approving the Issue Mandate, the maximum number of Shares which may be issued under the Issue Mandate will be 105,600,000 Shares.

In addition, a separate resolution will be proposed at the AGM to authorise the Directors to allot, issue and deal with Shares up to an amount equal to the total number of the Shares repurchased under the Repurchase Mandate (if so granted to the Directors at the AGM).

GENERAL MANDATE TO REPURCHASE SHARES

At the annual general meeting of the Company held on 14 August 2020, ordinary resolutions were passed by the Shareholders to grant general mandates to repurchase Shares. Such mandate will lapse at the conclusion of the AGM.

An ordinary resolution will be proposed at the AGM that the Directors be granted the Repurchase Mandate to exercise power of the Company to repurchase Shares up to a maximum of 10% of the total number of Shares in issue as at the date of passing the relevant resolution.

As at the Latest Practicable Date, the total number of Shares in issued is 528,000,000 Shares. Assuming that there is no change in the issued share capital of the Company between the period from the Latest Practicable Date and the date of passing the resolution approving the Repurchase Mandate, the maximum number of shares which may be repurchased pursuant to the Repurchase Mandate will be 52,800,000 Shares.

In accordance with Article 108(a) of the Articles of Association, at each annual general meeting one-third of the Directors for the time being, or, if their number is not three or a multiple of three, then the number nearest to but not less than one-third, shall retire from office by rotation provided that every Director (including those appointed for a specific term) shall be subject to retirement by rotation at least once every three years. A retiring Director shall be eligible for re-election. As such, Mr. Tam Chak Chi, shall retire from office at the AGM and, being eligible, offer himself for re-election.

In accordance with Article 112 of the Articles of Association, any Director appointed by the Board to fill a casual vacancy of the Board or as an addition to the existing Board shall hold office only until the next following annual general meeting of the Company and shall then be eligible for re-election. As such, Ms. Yuan Xiaoxi and Mr. Tang Yiu Kay shall retire from office and being eligible, offer themselves for re-election at the AGM.

The biographical details of the Directors proposed to be re-elected at the AGM are set out in Appendix II to this circular.

For the proposal for re-election of each of Ms. Yuan Xiaoxi and Mr. Tang Yiu Kay as an independent non-executive Director, the Board and the nomination committee of the Board (the “**Nomination Committee**”) have reviewed and assessed the annual confirmation of independence of each of them based on the independence criteria as set out in Rule 5.09 of the GEM Listing Rules and formed the view that both of them remain independent. The Board and the Nomination Committee are of the view that each of Ms. Yuan Xiaoxi and Mr. Tang Yiu Kay has demonstrated their ability in providing professional and independent views to the affairs of the Company.

The Nomination Committee has also considered the skills, knowledge and professional experience of the independent non-executive Directors as described in their biographies set out in Appendix II to this circular, with reference to the board diversity policy of the Company and is of the view that Ms. Yuan Xiaoxi and Mr. Tang Yiu Kay possess experience in accounting and audit and management and consultancy aspects respectively which have enabled them to contribute to the diversity of the Board.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief, the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

Yours faithfully,
On behalf of the Board
My Heart Bodibra Group Limited
Tam Chak Chi
Executive Director

The following is the explanatory statement required to be sent to the Shareholders under the GEM Listing Rules in connection with the proposed Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the total number of Shares in issue is 528,000,000.

Subject to the passing of the ordinary resolution on granting the Repurchase Mandate at the AGM and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 52,800,000 Shares during the course of the period up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws of the Cayman Islands to be held; or (iii) the revocation, variation or renewal of the Repurchase Mandate by ordinary resolution of the Shareholders, whichever occurs first.

2. REASONS FOR REPURCHASE

The Directors believe that it is in the best interests of the Company and the Shareholders to seek a general authority from the Shareholders to enable the Directors to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets of the Company and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and its shareholders.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Articles of Association, the GEM Listing Rules and the applicable laws of the Cayman Islands. The Company may not repurchase its own shares on the GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

4. EFFECT OF EXERCISING THE REPURCHASE MANDATE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the most recent published audited financial statement) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which, in the opinion of the Directors, are from time to time appropriate to the Company.

5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge, having made all reasonable enquires, any of their respective close associates has notified the Company of any present intention, if the Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company or its subsidiaries.

6. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the GEM during each of the previous twelve months up to the Latest Practicable Date were as follows:

	Highest <i>(HK\$)</i>	Lowest <i>(HK\$)</i>
June 2020	0.233	0.185
July 2020	0.211	0.190
August 2020	0.315	0.210
September 2020	0.280	0.225
October 2020	0.380	0.250
November 2020	0.64	0.320
December 2020	0.510	0.350
January 2021	0.660	0.440
February 2021	1.120	0.430
March 2021	1.250	1.020
April 2021	1.280	0.910
May 2021	1.280	1.000
1 June 2021 up to the Latest Practicable Date	1.090	0.940

7. SHARES PURCHASE MADE BY THE COMPANY

No purchases of Shares have been made by the Company (whether on the GEM or otherwise) during the six months preceding the Latest Practicable Date.

8. THE TAKEOVERS CODE

If, as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the

Shareholder's interests, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, according to the register required to be kept by the Company under Section 336 of the SFO, Global Succeed Group Limited ("**Global Succeed**") is beneficially interested in 210,000,000 Shares, representing approximately 39.77% of the total number of issued Shares. Global Succeed is owned as to 50% by Mr. Chan Lin So Alan ("**Mr. Chan**") and as to 50% by Mr. Yiu Koon Pong ("**Mr. Yiu**") respectively.

As such, each of Mr. Chan and Mr. Yiu is deemed to be interested in the 210,000,000 Shares under the SFO. For the purpose of the Takeovers Code, Global Succeed, Mr. Chan and Mr. Yiu are parties presumed to be acting in concert.

In the event that the Directors exercise in full the power to repurchase Shares which is proposed to be granted at the AGM, then (assuming such shareholdings as at the Latest Practicable Date otherwise remain the same) the interests in the Company of each of Global Succeed, Mr. Chan and Mr. Yiu would be increased to approximately 44.2% of the total number of Shares in issue. Such increase will not give rise to any obligation to make a mandatory offer under Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequence which may arise under the Takeovers Code as a result of any repurchase of Shares under the Repurchase Mandate.

Assuming that there is no change in the number of Shares in issue between the Latest Practicable Date and the date of a repurchase, an exercise of the Repurchase Mandate in whole or in part will result in the aggregate amount of the issued Shares in the public hands falling below the prescribed minimum percentage of 25% as required by the GEM Listing Rules.

The Directors confirm that they currently have no intention to exercise the powers of the Company to make any repurchases of the Shares. In any event, the Directors do not intend to exercise the Repurchase Mandate to an extent which will trigger off the mandatory offer requirement pursuant to the rules of the Takeovers Code or which will result in the amount of Shares held by the public being reduced to less than 25%, the minimum prescribed percentage for the Shares to be held by the public after listing of the Shares on the GEM.

9. CORE CONNECTED PERSON

No core connected person has notified the Company that it has a present intention to sell Shares to the Company or its subsidiaries, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

The biographical details of the retiring Directors proposed to be re-elected at the AGM are set out as follows:
