**PROFIT WARNING**

This announcement is made by Ocean Star Technology Group Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities (the “**GEM Listing Rules**”) on the GEM of The Stock Exchange of Hong Kong Limited (the “**GEM**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the information currently available to the Board, including the unaudited consolidated management accounts of the Group for the year ended 31 March 2022, the Group is expected to record a loss attributable to owners of the Company of approximately HK\$20.0 million for the year ended 31 March 2022 as compared to an audited profit attributable to owner of the Company of approximately HK\$3.7 million for the year ended 31 March 2021. The Board considers that such loss was mainly attributable to: (1) the decrease in sales volume, the Government grants under the Employment Support Scheme and the COVID-19 rent concession received granted by Landlords; (2) the increase in staff cost, marketing expenses and rental and related expenses; (3) the increase in impairment loss recognised on investment in associates, goodwill and right-of-use assets; and (4) the increase in allowance and write off recognised for inventories, deposits, prepayment and other receivables.

As the Company is still in the course of finalizing its audited consolidated annual results of the Group for the year ended 31 March 2022, the information contained in this announcement is only based on a preliminary assessment made by the Board with reference to unaudited consolidated management accounts of the Group for the year ended 31 March 2022 and the information currently available to the Company. Such information has neither been confirmed nor audited by the auditor of the Company or audit committee of the Board and may be subject to change. Shareholders and investors are advised to refer to annual results of the Group for the year ended 31 March 2022 to be published in due course.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
